

KASCH IS A MULTI-AWARD WINNING COMPANY THAT SPECIALIZES IN DESIGNING AND MANUFACTURING LUXURIOUS SANITARY WARE. ESTABLISHED IN 1994, THE COMPANY IS AN INNOVATOR IN THE FIELD OF BATH WARE APPLIANCES, BOASTING AN IMPRESSIVE COLLECTION OF PRODUCTS OVER MANY YEARS. PRODUCE FROM THE COMPANY RANGES FROM TYPICAL SHOWER ENCLOSURE TO HIGHLY CUSTOMIZED BATHTUB USED IN INTERNATIONALLY RENOWNED HOTELS. OUR CONCEPT, DESIGN, AND MANUFACTURING ARE ALL ACHIEVED IN HOUSE AND WE TAKE PRIDE IN EVERY METICULOUS STEP OF THE PROCESS.

ONE OF THE BIGGEST MILESTONES IN THE DEVELOPMENT OF SANITARY WARE IS THE INTRODUCTION OF THE ELECTRONIC BIDET. UNLIKE THE PAST, TODAY RISING DEMAND OF HYGIENIC BATHROOM ENVIRONMENTS HAS MADE IT CLEAR FOR KASCH AS A MANUFACTURER TO REVITALIZE THIS TECHNOLOGY-TO DEVELOP AN ADVANCED COLLECTION OF BIDETS THAT FITS TODAY'S PROGRESSING SOCIETY. TAKING STEPS TOWARD THIS NEW DIRECTION HAS ENABLED US TO CREATE A LINE OF PRODUCT THAT MEET PREVIOUSLY UNANSWERED DEMANDS. KASCH CLEAN WASH™, OUR NEW COLLECTION OF ELECTRONIC-TOILET BIDET, ALLOWS THE USER TO EXPERIENCE ENHANCED COMFORT, CONVENIENCE, AND A COMPLETELY NEW LEVEL OF HYGIENE.

CLEAN WASH™ TECHNOLOGY

INTRODUCING KASCH CLEAN WASH™

THOUGH AS FEATURE RICH AS IT IS, THE TEAM MADE SURE TO NOT NEGLECT THE PRODUCT AESTHETIC VALUES. THE COLLECTION DISPLAYS A VARIETY OF STYLES, WITH EACH PRODUCT ILLUSTRATING THE SLEEK AND BOLD QUALITIES OF KASCH.

ZAVO

ELEGANT AND BOLD, ZAVO IS KASCH CLEAN WASH™ MAIN FLAGSHIP ELECTRONIC BIDET THAT BLENDS LUXURY AND TECHNOLOGY INTO ONE AESTHETICALLY PLEASING CENTER-PIECE, FITTING FOR ANY HOUSE TO THE HIGH RISE OF A METROPOLIS, ITS URBANIZED LOOKS AND ADVANCED FEATURES REPRESENTS THE FULL PACKAGE OF THE BIDET COLLECTION.

Technology & Design

ZAVO represents the complete package of an advanced electronic bidet. While aesthetically impressive and beautifully designed, the broad structure of the toilet seat also serves as a relaxing, ergonomic touch to the overall user experience. Deceptively hidden away under its pleasing appearance, a great deal of technological features and sensors resides inside the device.

LED light under the lid illuminates to assist the user whenever the environment is dark. The bidet features can be easily operated by remote control and adjusted for a range of preferences.

ZAVO SA — ZAVO SL

With two options, the model can remain with the standard functionalities as the ZAVO SL, or equip an additional sensor that automatically open and closes the toilet seat based on the user's proximity as the ZAVO SA. Packed into one robust piece, this luxurious electronic bidet fully embodies Kasch Clean Wash™ identity both in terms of looks and functionalities.

Safety & Efficiency

In the ZAVO, the technology behind its functionality is extremely safe, device is fully integrated into the bidet to protect its water supply and the system automatically detects any malfunction before use. The Tornado system, ensures full cleaning of the entire ceramic surface area, ensuring even better hygienic results while retaining the same water volume. When out of use, the bidet enters power saving mode to save energy. The attention to detail in all of these aspects are to complement ZAVO advanced features with highly practical daily life operations.
